

From Breaking News by Don Zolidis

CHRISTY, 17, student body president, who's great at manipulating people.

CHRISTY

Hey everybody! This is Christy. I AM YOUR PRESIDENT.

(Cheers from the pro-Christy faction.)

I love you guys. And I'm here to tell you about the amazing, amazing things we're doing in this school right now. First of all, the weather has been great. Right? Hasn't it been great? Like sunny. With the past president it was cloudy all the time, and now it is sunny, so I think it's pretty guaranteed that I'm responsible for that.

(The crowd Cheers)

People might tell you I'm not responsible for the weather. Why would somebody say that? Jealousy. All right, all right, on to the policy proposals. First, there is a petition in front of me right now – declaring everyone who voted for me special. I think we need to take time to celebrate ourselves, and you guys, the best student body in the country –

(The crowd cheers)

That's right. Cheer. Cheer for yourselves. You deserve it. You're the best. The people who don't like me think you're dumb. They do. They think you're dumb. They think you're ugly too. I'm not the one saying these things. There are awful, awful people who hate you. And First Boyfriend Joseph is here to say some words too.
